**SUZHOU SHANDECHENXIN TRADCO**

Dear Valued Customer,

Due to current market uncertainty that has led to unsustainable economics for the SABIC business in several of our key market segments, it is necessary for us to issue a price increase for the following products by the amounts listed below:

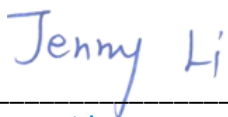

- LEXAN™ resins \$0.30/kg
- CYCOLOY™ resins \$0.50/kg
- CYCOLAC™, GELOY™ resins \$0.40/kg
- VALOX™, XENOY™, XYLEX™ resins \$0.40/kg

These price increase will be effective for shipments made on and after March 1<sup>st</sup>, 2021.

Please note that there may be higher price increase for some specific grades, which will be separately communicated.

Your SABIC sales representative will contact you shortly to respond to any questions that you may have. We thank you for your business and look forward to continuing to serve your engineering plastics needs.

Sincerely,

---
